

To all of our wonderful patients and supporters

Come April 1st, we've decided to temporarily close Swell Vision Center for a variety of reasons. First and foremost, we are doing so to protect the safety of our staff and our patients. By closing, we feel this is the ultimate measure to prevent the spread of COVID-19. Secondly, with the new unemployment laws going into effect, it allows for appropriate compensation for our amazing staff while we ride this out.

As mentioned previously, we are offering to extend contact lens prescriptions for up to 3 months and will ship them to your house for free. To do so, please fill out the following form (<https://form.jotform.com/200793509223150>). Once completed, Dr. Scibal will contact you to finalize the details and take payment. If you have items that need to be picked up at the office, please try to get them by 5PM March 31st.

Thank you for your understanding during this time. If you need to contact us for any reason please email info@swellvisioncenter.com and we will respond within 24 hours.
